## LIFE OF JOHN TAYLOR (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This Zion s Camp Books special edition has been formatted for ease of reading in paperback format with scriptures cited and footnotes included in the text. Robert s original preface: If the preface to a book be looked upon as the author s excuse for writing it, then this book should have no preface, for the author has no excuse to make. Justice to the character and labors of John Taylor demanded that his life be written. The annals of the Church could not be recorded without devoting large space to the part he took in her affairs; but no notice of his life and labors, however extended in a general history, could do justice to his great career: for of course there is much in that career peculiar to himself, and of a character, too, to make it worthy of a separate volume. It is quite probable, too, that in the event of Mormonism not finding him, he would have won more of the honors and applause of men; for while his connection with the Church of Jesus Christ of Latter-day Saints threw him into prominence, the disrepute in which that Church is held brought reproach and odium upon him from the world. Had the courage and unselfish devotion which he brought to the support of Mormonism been given to some reform movement less odious...
