Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Options Trading: 2-Books-in-1: Options Trading for Beginners Options Trading Strategies Options Trading for Beginners If you are looking for more out of your life than a traditional 9-to-5 job and want to try something new, then Options Trading: Options Trading for Beginners may be just what you are looking for. Inside you will find everything you need to start making successful trades in the options markets, even if, as of now, you aren't really sure what an option really is. Inside you will find: A complete breakdown of every part of the options trading process All the words you need to know, to know what the pros are talking about The best way to build a winning trading plan And much, much more. Investing in options leaves you with many of questions. You will discover answers to the most basic questions, as well as a few suggestions for how to start trading options. Follow the advice given to you and invest when you are ready-not because you are hurrying to make cash. Options Trading Strategies There is no shortage of explanations and guides for how to use options to make a profit in any type of market. What those resources lack is the down to earth language that is required to truly understand the basic principles of options trading and how to turn a profit using a variety of different strategies. This book comes from the perspective of someone who began trading options late in his career. I aim to teach you about options, their utility, the risks and advantages, and ideal times to use specific strategies, in a way that is far easier to understand than any...
