

## The Power of Silence: The Riches That Lie Within (Paperback)

By Graham Turner

Bloomsbury Publishing PLC, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Silence is a mysterious and unfathomable realm, perhaps the most under-used of all resources, and one our modern culture has all but obliterated by turning up the volume control. Graham Turner explores the power that can be found in silence through interviewing monastics, religious leaders, composers, actors, psychotherapists, prisoners and peace workers about their experiences of practising silence. Ranging from Christian contemplation in the Egyptian desert to Vipassana meditation in India, from the shared silence of Quaker meetings in Oxford to the profound stillness of the Alps, this is a powerful book about a great gap in modern human awareness.
