Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 226 pages. Real virgins say, Yes! (In Mexico, they say Si!) With that answer, Susan Cobb commits to remodeling a house on the coast of Mexico and refurbishing her life along with it. Virgin Territory will transport you to the rural lushness of Mexico's Pacific Coast, a region bursting with today's promise while still being deeply grounded in the past. As she puts down new roots in an ancient land, Cobb reshapes her perspective and reclaims her own sense of self. The Virgin of Guadalupe, along with a variety of indigenous goddesses and modern feminine icons, add a rich tapestry of focus, folklore, and color to her journey's landscape. Virgin Territory: How I Found My Inner Guadalupe is written in the spirit of *Under the Tuscan Sun* and *A Year in Provence*, but with the soul and humor of Anne Lamott. It is an essential read for those with a love for Mexico and a longing to see themselves clothed with the sun. Praise for Virgin Territory: Virgin Territory is a charming, thoughtful, and wonderful journey, bringing to light an idea that is timely and riveting. Lynne Bundesen, author of *So the Woman Went Her Way* and *The Feminine Spirit: Recapturing the Heart of Scripture* An intensely personal, often humorous, adventure into a feminine landscape, into the heart of Mexico and of Guadalupe herself. Cobb becomes a pioneer for everywoman as she finds the source of her inner strength, rebellion, and healing, her own inner Mary. Becky Kemery, author of *Yurts: Living in the Round* Like reading a coming of age story for mature adults. Truly a fascinating read. The author weaves tales of the Virgin in many different forms into her own personal history. Kay Lindahl, author of *The Sacred Art...*
