Springer Publishing Co Inc. Paperback. Book Condition: new. BRAND NEW, Psychiatric-mental Health Nursing: An Interpersonal Approach, Jeffrey Jones, Vickie Rogers, Joyce J. Fitzpatrick, ".[A] superb textbook based on the expertise of multiple contributors from the field. The editors accomplished a difficult task in developing this well-written, comprehensive psychiatric-mental health nursing text. It is an excellent resource for both the novice nursing student and the practitioner." --Kathryn Y. Raymond, M.S., A.P.R.N. Psychiatric Services "Some call it the encounter; others the engagement. Regardless of the terms used, it is the relationship that is the healing difference in psychiatric care services. As one of Hildegard Peplau's students, I remain in awe of her vision and commitment to inspiring the nursing profession to acknowledge and own the "interpersonal relationship" as an essential part of nursing. It guides the student through the essential phases of self-discovery necessary to integrate interpersonal nursing theory into practice, and provides a historical overview of the profession. The book addresses the most current ISPN and APNA competencies and presents content designed to foster self-growth, and critical thinking and decision-making skills, as well as to implement therapeutic interventions. It offers an overview of theories of mental illness and a detailed discussion of commonly seen psychiatric disorders, and addresses mental health care settings across the lifespan and different populations. Clinical case studies and first-hand accounts vividly describe...
