Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.OSHA 3302-09R 2014 - The Occupational Safety and Health Act of 1970 created the Occupational Safety and Health Administration to help employers and employees reduce injuries, illnesses and deaths on the job in America. Employers are responsible for providing a safe and healthful workplace for their employees. OSHA s role is to assure the safety and health of America s workers by setting and enforcing standards; providing training, outreach, and education; establishing partnerships; and encouraging continual process improvement in workplace safety and health. OSHA establishes and enforces protective standards and reaches out to employers and employees through technical assistance and consultation programs. OSHA and its state partners have approximately 2,400 inspectors and about 550 state consultants, plus complain discrimination investigators, engineers, physicians, educators, standard writers, and other technical and support personnel spread over more than 130 office throughout the country. OSHA works to assure the safety and health of all America s working men and women. Since the establishment of OSHA, workplace fatalities have been cut by more than 60 percent and occupational injury and illness rates have declined 40...
