Reviews

Merely no words and phrases to describe. I really could comprehend almost everything using this created e pdf. Your daily life period will be change once you full reading this ebook.

(Mr. Ladarius Stoltenberg)

MORE THAN MONEY: A GUIDE TO SUSTAINING WEALTH AND PRESERVING THE FAMILY (HARDBACK)

John Wiley Sons Inc, United States, 2017. Hardback. Condition: New. 1. Auflage. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. A new, more comprehensive approach to long-term family wealth management More Than Money provides a high-level, integrated approach to preserving both financial resources and family harmony. Research has shown a failure rate of 70 percent in long-term multigenerational wealth management, and contrary to popular assumption, only five percent of that failure is due to bad investment, poor tax planning, or inadequate performance by legal and financial advisors. The number-one reason family wealth management fails is the family itself; poor communication, lack of trust, divergent visions, and a failure to prepare succeeding generations will tear down the resources the family has worked so hard to build. Traditional wealth management cannot fix this. Instead, this book offers a fresh approach that integrates strategic and tactical wealth management to align the family's assets with the family members. With helpful tools and advice drawn from a real-world understanding of family complexities, you'll improve your ability to preserve your family's resources over multiple generations. With an expert's perspective on the real forces behind successful family wealth management, this book provides a clear model and a practical roadmap for long-term financial preservation. * Develop a shared family vision and mission * Improve communication and trust among members * Merge strategic and tactical planning * Ensure the longevity of your family's wealth The wealth management sphere tends to focus on taxes, investments, banking, and estate planning, but little thought is given to the people themselves this overlooks the fact that individual family members are the most critical factor in multigenerational wealth management, and fails...
