Brand New Book ***** Print on Demand *****.Beautiful, color photographs provide connections to your children s beach experience. Soon, your children will be sharing all about the day they saw a bird just like the one in the picture. Birds are photographed in their native habitats, doing their normal routines as well as some silly things. This is an ideal book to use in the classroom whether you are homeschooling, or in another classroom setting. Sample questions are included in the back to stimulate a conversation about bird traits, action words, and rewriting the storyline using the child s own words.
