LIFE S NOT A REHEARSAL (PAPERBACK)

Redemption Press, United States, 2014. Paperback. Condition: New. 2nd. Language: English . Brand New Book ***** Print on Demand *****. Life s Not a Rehearsal confirms for us that there are No Repeat Performances! Unlike the blockbuster Hollywood stories, real life offers us no repeat performances. The show must go on. We have no high paid, well-known producers or directors overseeing the project. There is no one to yell cut allowing us to replay the action. God, who is the author and producer of life, gives us the power through the Holy Spirit to direct our lives, under his guidance and leadership. As we yield our lives to him we are made aware of the fact that He is not only the author, but through faith he is the finisher, the creator, director, producer and completer of all that we do in life. Whether read alone or used as a study guide with others, this book gives you a special time with God each day as you learn truth and develop wisdom. Wisdom is the Godly use of knowledge, states Bishop Horace E. Smith M.D. God wants in! Within this book you will discover: The power to unlock your God-given potential Uplifting readings for your daily walk Guidance to a richer life in Christ Ways to allow God daily access to your life.
