Little, Brown Book Group, United Kingdom, 2012. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. Mr Wickham turned out to be a disappointing husband in many ways, the most notable being his early demise on the battlefields of Waterloo. And so Lydia Wickham, nee Bennet, still not twenty and ever-full of an enterprising spirit, must make her fortune independently. A lesser woman, without Lydia's natural ability to flirt uproariously on the dancefloor and cheat seamlessly at the card table, would swoon in the wake of a dashing highwayman, a corrupt banker and even an amorous Royal or two. But on the hunt for a marriage that will make her rich, there's nothing that Lydia won't turn her hand to. Taking in London, Paris and Brighton, *Who Needs Mr Darcy?* details the charming, lively and somewhat dastardly further exploits of the youngest Bennet sister. *Pride and Prejudice* this isn't and Mr Darcy certainly won't be rescuing her this time.
