Date :2009-7-1. Time flies, time flies. Children every step, are inseparable from their parents and guidance. However, young parents, you notice that, usually, your children have the habit of reading This is not an insignificant thing, because a strong interest in reading, good reading habits, a direct impact on the development of a child's life. Today's society, everyone must learn to read the life skills. We must be the golden age of the child, select the style and spirit of the Chinese nation to reflect the essence of the classic works of world culture, so that they learn to read widely in the essence of human civilization, develop their elegant and graceful temperament, broad magnanimous bosom, keen innovation personality, so that they read in the formation of a durable good reading habits, so that they can step ahead of the starting line of life, the development of their lives and lay a solid foundation. It is based on this thinking, this blend of ancient and modern famous masterpiece of the primary language Extracurricular Reading - riding on the wings read quietly into you and your child's life. Classic combination with the times, artistic and ideological harmony and unification - The Reader as your guide to reading children increased - were selected. Students in reading, words and deeds need adults, parents should set an example. Usually, you want to study as a staple of entertainment, which children will have a subtle influence. You may wish to read with their children, while being read to exchange experience. In this way, the idea of ??two generations in the intersection in the study, in exchange...
