Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Atlantic Publishing Co, United States, 2011. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book. Book CD-ROM. Did you spend your childhood reading detective novels, imagining how amazing it would be to start your own agency? Have you recently retired from your current job in the police, military, or other investigative agency? Do you want to start your own company? If so, consider owning and operating your own private investigation business. With a massive upside and potential for growth, the industry has been booming for years. According to the Bureau of Labour Statistics Occupational Handbook for 2010-2011, numbers are projected to increase as the demand for private investigators increases in a time of heightened security, employee background checks, cyber crime, and increasing litigation. The BLS projects 22 percent growth in the field over the next decade. Now is the perfect time to break into the private investigation industry. This book was written for anyone who has considered working in the field of private investigation and decided that it would be ideal for them. How to Open and Operate a Private Investigation Business will teach you everything you need to know about the profession, starting with the basics of what you can expect and which preconceptions are just Hollywood fancy. You will discern the key differences between a private investigator and a police officer and why those who want to be the latter should consider all their options before getting into private work. You will learn how to choose a niche of investigation and how to think critically. You will pick up tips on how to investigate a case and perform all of your necessary functions legally. Whether you will be working out of your home or are looking to buy or rent office space, this book...
