

Teaching Home Economics (Classic Reprint) (Paperback)

By Anna M Cooley

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Teaching Home Economics The object of this book is to offer suggestions for the organization, administration, and teaching of the home economics studies. In the preparation of the book the authors have endeavored to adapt it to the various types of persons whose needs they hope to serve. Before the war these studies were recognized by some as an essential part of the general education of every girl. With the declaration of peace, they assume a new significance and appear as an indispensable part of her education. This is true because every girl needs instruction regarding better and more healthful living, and training in those practices which will enable her to live her daily life more intelligently, to rear her children more thoughtfully, and to serve her community and country more efficiently. These studies are needed by some because they prepare also for certain definite wage-earning vocations. This book draws the distinction between home economics studies as organized for general or liberal education purposes and such lines of specialized vocational training as may have grown out of them. It is...
