Dover Publications Inc., United States, 1999. Paperback. Condition: New. Language: English . Brand New Book. Nicknamed the -Emperor- for its nobility and grandeur, Beethoven s Piano Concerto No. 5 in E-flat major, Op. 73, was the composer s last piano concerto. Written in 1809, when Beethoven was 39, it ranks among the most popular concertos in the repertoire. Grove s Dictionary of Music and Musicians considers it one of the strongest works conceived by Beethoven, and by far the most -symphonic- of his concertos, from the -thunderous cadential celebration- of the very first bars to the brilliant rondo-finale. Reproduced here from an authoritative early edition, the score appears with bar-numbered movements. Ideal for study in the classroom, at home, or in the concert hall, this affordable, high-quality, conveniently sized volume will be the edition of choice for music students and music lovers alike.
