Leonaurltd, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The final volume in this stunning series of adventures in the distant past Rider Haggard is one of the most famous authors of adventure fiction in the English language. Almost everyone has heard of Allan Quatermain-the hero of King Solomon s Mines-and the beautiful, ruthless, magically immortal Ayesha-She who must be obeyed. All of Haggard s novels and stories featuring both characters are available in handsome Leonaurltd editions. The essential elements of his most famous creations-the great African continent and ancient civilisations, mysterious and exotic, mythical, imagined or real, are combined in a number of his novels and stories and these too have now been collected by Leonaurltd into a special four volume set-African Adventures. Readers will therefore be unsurprised to learn that Haggard could not resist writing a number of tales about ancient civilisations, or that in these he naturally gravitated towards the most evocative of them all-the world of the Ancient Egyptians...
