Bullshit and Philosophy: Guaranteed to Get Perfect Results Every Time

By Hardcastle, Gary L., Editor. Reisch, George A., Editor.

Open Court. 1 Paperback(s), 2006. soft. Book Condition: New. Bullshit is booming, both in the popular media and in the cloisters of academia. Bullshit studies received a tremendous boost from the pioneering work of Harry G. Frankfurt, yet his seminal theses in *On Bullshit* opened up more questions than they answered. In this 24th entry in the Popular Culture and Philosophy series (introducing authentic philosophical thought through striking examples in the everyday world), the editors of *Monty Python and Philosophy* return with another pithy collection of essays by the most highly trained intellects of our epoch. These Big Brains take the discourse well beyond Frankfurt and into the realm of Hobbes, Locke, Hume, and Kant, offering acute observations on bullshit in politics, science, the courtroom, and the classroom (with hardly any stretching of the truth). "An entertaining and eclectic collection of thoughtful approaches to a ubiquitous phenomenon and serious problem." *Laura Penny* "A witty and thought-provoking look at a word that has become emblematic of our time. The role of philosophy in public culture could not be made clearer." *David J. Stump* 272.

Reviews

Extremely helpful to any or all category of individuals. It really is rally fascinating throgh studying time period. I am just quickly could possibly get a pleasure of reading a composed ebook.

-- Lawrence Keeling

This publication may be worthy of a read through, and a lot better than other. It is among the most incredible book we have read through. Your daily life period will be change when you total reading this article publication.
