Penguin Putnam Inc, United States, 2014. Paperback. Condition: New. Reissue. Language: English . Brand New Book. FIRST IN A NEW SERIES! Stained-glass aficionado Georgia Kelly packed up her city life for the quiet of small town Wenwood, New York. But the sleepy village's peace is about to get shattered by murder. After a banking scandal loses Georgia her job and fiancé, she decides that a change of scenery will help piece her life back together. But escaping to her grandfather's house in the old-fashioned, brick-making Hudson River hamlet of Wenwood, New York, turns out to be less relaxing than she expects. Not only is the close-knit community on edge about their beloved brickworks being turned into a marina to draw in tourists, one of those most opposed to the project winds up dead cracked over the head with a famous Wenwood brick. Georgia wouldn't be broken up over the news except for the fact that the main suspect is the deceased's biggest adversary her grandfather. Now, to remove the stain from her grandy's record, Georgia will have to figure out who in town was willing to kill to keep the renovation project alive, before someone else is permanently cut out of the picture.
