Solar- Tall, strong, with midnight blue eyes, and a prominent scar across his eyebrow. The leader of the revolution to overthrow King Dalyer. Zara- Delicate, elegant, and curvy. Having matured into a stunning woman she doesn t quite realize how attractive she s become. Kidnapped by the revolution some time ago and extremely grateful to no longer be one of the king s wives, but she s been living rustically since then. They both fear Zara s upcoming birthday. It is the time that dragon females come of age to mate. Zara irrationally fears that King Dalyer will find her and recapture her as his bride; she was his favorite -though untouched- wife. Solar dreads it because he grapples with a forbidden attraction to Zara and he is certain that the men around their camp will try to claim her once she is of eligible age. Torn between the Oracle s prophecy and his burning desire, can Solar stay loyal to the cause? To what end will he use Zara to achieve the revolution s ultimate aim? This is the second book in The Dragon Realm Series but can also be read as a standalone. No cliffhangers and HFN. The story contains strong sexual themes/language and is not intended for readers under the age of 18.
