

Architecture and the Mimetic Self: A Psychoanalytic Study of How Buildings Make and Break Our Lives (Paperback)

By Lucy Huskinson

Taylor Francis Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Buildings shape our identity and sense of self in profound ways that are not always evident to architects and town planners, or even to those who think they are intimately familiar with the buildings they inhabit. Architecture and the Mimetic Self provides a useful theoretical guide to our unconscious behaviour in relation to buildings, and explains both how and why we are drawn to specific elements and features of architectural design. It reveals how even the most uninspiring of buildings can be modified to meet our unconscious expectations and requirements of them-and, by the same token, it explores the repercussions for our wellbeing when buildings fail to do so. Criteria for effective architectural design have for a long time been grounded in utilitarian and aesthetic principles of function, efficiency, cost, and visual impact. Although these are important considerations, they often fail to meet the fundamental needs of those who inhabit and use buildings. Misconceptions are rife, not least because our responses to architecture are often difficult to measure, and are in large part unconscious. By bridging psychoanalytic thought and architectural theory, Architecture and the Mimetic...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
