Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

COLLATERAL ENCOUNTERS: ADVENTURES IN LISTENING (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Each of us is on a journey and often those journeys include detours, some leading us to places much richer than those we had planned. This collection of non-fiction poems and prose vignettes chronicles interactions in both public and private spaces, including prisons, libraries, airports, and the marketplace. Frequently, the least anticipated conversations spark the deepest revelations. Here you will meet a Chinese social worker confronted with culture shock, a coffee shop owner from Chiapas, Mexico, and a caring cardiologist. You will also glimpse the stages of a dear friend's cognitive disintegration. No less emotionally intense, but perhaps more dramatic, you will meet some of those who live on the Inside of our nation's prisons.
