AUTHORHOUSE, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My book, Postal Revenge, is true stories about several things that have happened inside the walls of different postal buildings that I have worked in. This book is an eye opener of what really goes on behind the scenes of the Post Office door. I will tell you why we get paid so much for what work we do, as well as the pressure of doing so many tests and the hours that we have to work. The main event of the book is how I talked a very nice man out of killing the foreman that had made his life very difficult and because of all the hours we had to work, it was making his marriage fall apart. His wife was going to file for a divorce. He was going to have nothing and it's all because of this foreman. He wanted to kill him. He made plans for getting it done with his gun. Also you will read of true stories of drugs, alcohol and a carrier that was insane who made people so scared to work with her, especially me. This book will give you the reasons why people do get killed inside the walls of the Post Office because of all the stress. You will have the knowledge of what makes people go Postal on the people inside the Post Office walls.
