## Smart Planet Level 2 Guia Didactica

By Garan Holcombe

Cambridge University Press. Paperback. Book Condition: new. BRAND NEW, Smart Planet Level 2 Guia Didactica, Garan Holcombe, Smart Planet is a secondary-level course which appeals to students' curiosity about the world around them. Stimulating materials complemented by fascinating videos from Discovery Education help bring classes to life and are the ideal starting point for successful language learning. The interleaved Teacher's Book in Spanish includes clear, at-a-glance teaching notes and video lesson plans, together with suggestions on how students can exploit the videos at home. It also provides background information sections, with useful extra facts about the lesson content. It also offers key competences and CEF mapping for every unit; warm-up, reinforcement and extension activities; teaching tips and a games bank. There is also an English version of the Teacher's Book available separately.

### Reviews

*Absolutely essential go through publication. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of the time (that's what catalogues are for regarding if you ask me).*
