C'était le temps des guerres sans pitié et des inimitiés mortelles. H. Taine. Voyage en Italie. Pérouse et Assise. All who ascend the hill of the Seraphic City must feel its indescribable charm intangible, mysterious, and quite distinct from the beauty of the Umbrian valley. Why, we ask ourselves, this stillness and sense of marvellous peace in every church and every street And, as though conscious of our thoughts, a young Assisan, with a gesture of infinite sadness towards the large, desolate palaces and broad deserted streets, said, as we lingered on our way: Ah! Signore mia, our city is a city of the dead of memories only. This item ships from La Vergne, TN. Paperback.
