Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. One-hundred-fifty years ago, Lewis Carroll created a new literary and creative landscape called Wonderland. This blank keepsake journal honors that creative endeavor. In its unlined pages may you find your own magical landscapes. Whether you are thinking to write your own ideas, and keep them for ever in this journal, or draw your own landscapes, these pages are the perfect place to capture your musings. The unlined pages encourage you to jot down not only your words, but your doodles, sketches, designs, colored pencil and markers tests, and more. Its size of 7 x10 is perfect to carry in your bag, and be handy whenever inspiration arises. It is also an excellent place for vision board ideas, to do lists, and photos and other precious keepsakes. In this journal, you will find images to color, which I recommend doing it with color pencils, blank pages for your art work, some other with some tiny pictures, and 30 more with lines for your ideas in writing. I must say you will enjoy a relaxing time while writing, drawing or coloring. Hope you like it as much as I do, creating it.
