

AN EXAMINATION OF THE IMPACT PEER PRESSURE HAS ON YOUNG ADULTS

By Hallie Stephens

VDM Verlag Dr. Mueller e.K. Paperback. Book Condition: New. Paperback. 108 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. The current study seeks to bridge the gap between adolescence and young adulthood and provide a more in-depth account of the role peer pressure plays in development and decision making. By looking at a sample of undergraduate college students I have emphasized the social aspect of young adulthood through college attendance which is experienced by many in this age group while at the same time extending the scope of peer pressure strength. The average college student, often referred to as a traditional student, is entering into young adulthood and experiencing many shifts in routine and expectations. I argue in this study that peer pressure does not cease to exist after adolescence but rather remains strong and provides a conduit sometimes leading to and/or reinforcing negative behaviors, specifically marijuana use. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
