Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Pen Sword Books Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Almost all of us have happy memories of excursions and holidays spent beside the sea. For many, these will have included the Yorkshire coast which runs unbroken for more than one hundred miles between the two great rivers, the Tees and the Humber. Within those boundaries are the popular seaside resorts of Whitby, Scarborough, Filey and Bridlington as well as numerous smaller and quieter but equally well-loved destinations. How did the love affair with the area start and how did it develop? Over the years, all the ingredients for the perfect holiday are there - the spas, the sea and sun bathing, board and lodgings, entertainment and just as importantly, the journeys there and back. Beside the Seaside takes a detailed but entertaining look back at the history of these resorts over the last four hundred years and asks, what does the future hold? Packed with information, this book is fully illustrated with photographs, old and new, together with paintings and etchings. Coupled with the thoughts and memories of tourists and travellers from the 17th century through to the present time, it gives a fascinating insight into how our ancestors would have spent their time at the coast. Evocative and intriguing, absorbing and surprising, John Heywood s book will appeal both to those familiar with the area and to others who just enjoy being Beside the Seaside .
