This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

DRESSING FOR PLEASURE IN RUBBER, VINYL AND LEATHER: THE BEST OF ATOMAGE 1972-1980

FUEL Publishing. Hardback. Book Condition: new. BRAND NEW, Dressing for Pleasure in Rubber, Vinyl and Leather: The Best of Atomage 1972-1980, Jonny Trunk, Damon Murray, Stephen Sorrell, "AtomAge" magazine was the underground bible of leather, rubber and vinyl fetish wear throughout the 1970s. Founded, designed and published by John Sutcliffe as a way of showcasing his extraordinary clothing designs, it quickly became a focal point for explorers of every kind of fledgling clothing scene. For its readers, "AtomAge" was both an instruction manual and a mirror. The experimental clothing, including items made by the readers themselves, transformed a passion for a sexual kink into a cult phenomenon. From motorbiking and mask wearing, to mudlarking and wading worship, "AtomAge" covered every conceivable wrinkle. The photographs reflect an age of amateur enthusiasm, before fetish became the industry it is today, inadvertently depicting a suburbia from which "Dressing for Pleasure" was a necessary escape. These outrageous costumes were an inspiration to a new generation of fashion designers, many of whom have since been assimilated into high-end collections. Presenting the most astonishing imagery from all thirty-two issues of this now rare and sought-after cult magazine, "Dressing for Pleasure" illustrates not just Sutcliffes exceptional designs, but also, through their own photography and writing, the fantasies and desires of "AtomAge" followers.
