

Artie Shaw: Non-stop Flight (Paperback)

Filesize: 6.51 MB

Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).
(Alec Langosh)

Bloomsbury Publishing PLC, United Kingdom, 2004. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book ***** Print on Demand *****.As the handsome (and much-married) leader of a series of big bands and small groups in the 1930s and 1940s, clarinetist Artie Shaw achieved measures of fame and fortune that temporarily eclipsed those of his great rival, Benny Goodman. Shaw's five top single recordings had sold over 65 million copies by 1965; by 1990 his total sales exceeded 100 million records. Yet Shaw was an ambitiously serious and introspective musician. He frequently tired of the music business, often forsaking it for extended periods. He also achieved renown as a writer of fiction. Unlike Goodman, Shaw, now in his 93rd year and the last surviving icon of the Swing Era, has not been well served by jazz writers. In rectifying that omission, the revised edition of this book offers a narrative account and analytical assessment of the life and times of a major figure in American popular music.
