Pearle was an extraordinary woman, who lived a life of isolation. Her contact with the outside world was limited to her job at Mother Moon, an occult store, and that was the way she liked it. She was an urban legend in Augusta, Ga. She was known as The Girl Who Walked With Monsters. You see, Pearle had a very unique ability. Ghosts and supernatural monsters seemed to be attracted to her. They came to her for help, or sometimes, to attack her. She never knew her real parents. So she didn't know where she came from, or how she acquired this ability or curse. She thought she was doomed to live an isolated life as a freak until Razz came into her life. This man's appearance sparks a dangerous and life threatening adventure that will lead to the discovery of her origins and her destiny.
