

The Itchy Translator (Traditional Chinese Edition) (Paperback)

Filesize: 5 MB

Reviews

Unquestionably, this is the best operate by any author. It is among the most amazing pdf i actually have read. Its been designed in an remarkably basic way which is just right after i finished reading this pdf by which basically altered me, change the way i believe.
(Harold Spencer)

THE ITCHY TRANSLATOR (TRADITIONAL CHINESE EDITION) (PAPERBACK)

Solid Software Pty Ltd, 2017. Paperback. Condition: New. Language: Chinese . Brand New Book ***** Print on Demand *****. The Itchy Translator is Taiwanese blogger Sunflower's third collection of literary essays. Written during June 2010 and December 2012, these are her comments on all aspects of Chinese and Western literature and arts. These writings stand the test of time because their subjects do. Compared to her two previous books, *The Secret of Time* and *Blog Therapy*, the 40 essays collected in *The Itchy Translator* are far more ambitious in their scope of research and analytical exploration of contemporary literary and arts trends in both Chinese and English worlds. To start with, there are observations on working as a professional translator and Sunflower's personal journey between the Chinese and English languages. Then there are essays exploring various famous and/or controversial books, movies, musicals, authors and even art critics. Finally, Sunflower investigates the cultural significance of various literary and Internet phenomena across the globe, such as the old-fashioned art of letter writing, criticism against capital punishment in John Grisham's novels, the obstacles faced by Taiwan's publishing industry, and the continuous rise of digital publishing and reading, just to name a few. In short, *The Itchy Translator* showcases Sunflower's rich experience as a professional translator and independent scholar. Her interdisciplinary and cross-cultural approach to study literature and arts is refreshing and serves as a model to those who are interested in learning the art and craft of being a critic.
