Transworld Publishers Ltd, United Kingdom, 2003. Paperback. Condition: New. New Rev. Ed.. Language: English . Brand New Book. According to David Taylor - one of Europe's most successful speakers on leadership and personal development - the most important discovery you can make is to discover who you really are. Everything you need to be, anything you want, you already have; there is no right or wrong, there is only what serves you, and what does not; what you think about, you are, what you focus on, you will become; and if you give yourself permission, you will achieve every dream and every ambition you've ever had. Here, as David Taylor invites you to join him on an amazing journey of discovery, he strips away myth and mystery, hype and jargon to reveal how we can turn dreams into reality by: \* learning to trust ourselves and our instincts - and abandon the external motivations that limit our potential. \* building on our successes to ensure personal development. \* forging deep and lasting relationships both in the work place and in our personal lives. Inspiring, illuminating and completely practical, The Naked Leader is your passport to personal and professional success - and regardless of your age or circumstances, an incredible journey of discovery to a world of unlimited opportunity.
