

Busted! the Big Con (Paperback)

Filesize: 2.07 MB

Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

BUSTED! THE BIG CON (PAPERBACK)

Donington Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.BUSTED! exposes how out of mutual self-interest, the media, politicians, and Wall Street have sold America a bill of goods. They are playing a game of charades. Wall Street creates asset bubbles and takes high risk bets with depositor s money that cost people their life savings and their jobs. Politicians serve their campaign-donor masters while people die on oil rigs and in coal mines. The media tells us what is good for their ratings not what we need to know. Mutual self-interest, I won t expose your charade, you don t expose mine. The book shows how these charades are causing us to lose our standing in the global economy and military balance of power. The effects of our downslide in the face of China, Brazil, Russia, and India s rise as competitors will have a significant impact upon the quality of our life. If we are to remain a player in a global marketplace, charades do not work. Only substantive government actions, economic policy, and media reporting will allow us to win the economic and perhaps even military competitions looming just over the horizon. BUSTED! exposes a variety of charades by showing: **COLLEGE SPORTS: HOW THE CHARADE OF STUDENT ATHLETE HAS PRODUCED NOTHING BUT SCANDALS AND THE PENN STATE CULTURE OF SILENCE. WHY A MINOR LEAGUE FOR FOOTBALL AND BASKETBALL JUST AS FOR BASEBALL WOULD SOLVE ALL THE PROBLEMS. **How Wall Street made themselves billions by betting against what they were telling Main Street to buy and destroyed our economy in the process. **How the media, CNBC in particular, colludes with Wall Street to keep us buying stocks and believing talking heads who are promoting their own agendas so we...
