

Captain John Baptiste Saucier: At Fort Chartres in the Illinois 1751-1763 (Classic Reprint) (Paperback)

Filesize: 7.96 MB

Reviews

This type of ebook is everything and helped me looking forward and a lot more. It is actually full of wisdom and knowledge I realized this book from my dad and i suggested this book to discover.
(Estelle Grady Sr.)

CAPTAIN JOHN BAPTISTE SAUCIER: AT FORT CHARTRES IN THE ILLINOIS 1751-1763 (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Captain John Baptiste Saucier: At Fort Chartres in the Illinois 1751-1763 Every intelligent man should learn all he can of his ancestry, and transmit that knowledge to his descendents, in order that the traits and tendencies of the stock, if elevating, may be emulated; if degrading, may be corrected and improved. This view prompted the writing of the biographical sketch, here presented of Captain John Baptiste Saucier of the French Army, who assisted in designing the plans of the second Fort Chartres, in the Illinois, and superintended its construction. Since the first edition of this little work was published, in 1901, diligent investigation of the Saucier family history has resulted in the discovery of new facts, and elimination of several errors in the original text. This revised edition is therefore believed to be substantially correct, and an inconsiderable, but reliable, contribution to the early history of Illinois. Documentary evidences verifying many of the statements herein related, were lost nearly a century ago in the destruction by fire of his son's residence. The known facts, and family legends, concerning Captain Saucier, have been collected, in this narrative form, by one of his descendents, to perpetuate the name and history of a brave soldier and honorable, upright citizen. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
