Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from No Survivors: A Novel I shall recount nothing further of the death of the Confederacy at Appomattox. Such accounting as has been given, may be regarded as the preface to the real saga of my life, its westward course following my abortive attempt to go home after the surrender. My sole assets at the outset of the journey west, beyond a personal hardihood already described, were my horse and an old, Colt Dragoon revolver. I assume the three of us made something less than a reassuring picture. Hussein, as the foundation of this dilapidated trio, contributed his full share to our appearance of villainy. A magnificent bay stallion, reputed to carry in his veins, undiluted, the blood of the original Barb, he had been presented to me by my troops after Chickamauga. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
