

Medieval Childhood: Archaeological Approaches (Paperback)

Filesize: 2.12 MB

Reviews

It is really an remarkable book which i have ever go through. It can be writter in simple terms and not difficult to understand. I am just effortlessly can get a enjoyment of reading a composed pdf.

(Dr. Lily Wunsch II)

MEDIEVAL CHILDHOOD: ARCHAEOLOGICAL APPROACHES (PAPERBACK)**DOWNLOAD**

Oxbow Books, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. The nine papers presented here set out to broaden the recent focus of archaeological evidence for medieval children and childhood and to offer new ways of exploring their lives and experiences. The everyday use of space and changes in the layout of buildings are examined, in order to reveal how these impacted upon the daily practices and tasks of household tasks relating to the upbringing of children. Aspects of work and play are explored: how, archaeologically, we can determine whether, and in what context, children played board and dice games? How we may gain insights into the medieval countryside from the perspective of children and thus begin to understand the processes of reproduction of particular aspects of medieval society and the spaces where children's activities occurred; and the possible role of children in the medieval pottery industry. Funerary aspects are considered: the burial of infants in early English Christian cemeteries the treatment and disposal of infants and children in the cremation ritual of early Anglo-Saxon England; and childhood, children and mobility in early medieval western Britain, especially Wales. The volume concludes with an exploration of what archaeologists can draw from other disciplines- historians, art historians, folklorists and literary scholars - and the approaches that they take to the study of childhood and thus the enhancement of our knowledge of medieval society in general.
