Createspace, United States, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is a collection of powerful, life-enriching lessons that deal with the kinds of challenges we all encounter. The lessons are not intended to be read in any particular order but, rather, in a random manner, as guides for contemplation. The ideas presented are not new. They come to us from the enlightenment traditions of the world, including modern science. The Basis of the Ideas Are in the Following Premises The Universe is whole. There is one Thing out of which every other thing issued forth into expression. This Thing is called by various names: God, Yahweh, Brahma, the Infinite, the All In All, etc. Every part is contained in the whole, and the whole in every part. Therefore, each of us is a part of that One Thing. We may think of this System as the Universal Hologram. Each part, element or component of the universe is integrally connected to all others. Nothing occurs that may not influence everything else. What the Universe is at the infinite level, each of us is at the finite level. This is what it means to be made in the Image of God. The Universe is a resonant system in which there exists an intrinsic harmony and balance. Despite the appearance of localized discord, the system is always inclined to express this harmony and balance. Because this is the nature of the Universe, it must be the nature of every individual. There is a unique pattern to everyone's existence and it is the primary task of each to discover and fulfill that life-pattern. What we think about, focus on, and emphasize is reflected in our experience of life. Therefore...
