## JORDYNS OPEN DIARY: SEARCHING FOR TRUTHS IN A PAINFUL PLACE

Lee's Press and Publishing Company. Paperback. Condition: New. 144 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. A Diary is well known to keep your deepest secrets, its where the pen meets the paper and your mind controls whatever moment you feel needs to be recorded. Its funny how no one ever wants to share their darkest secrets and their Diary is trusted so much more than any human soul; but Im choosing to be someone elses open diary and welcoming you into a world of things that most are left in shame, turmoil, heartache, and even share the good times where Ive reached pain. A place where you get to witness my growth, my fears, my spirituality, and even admit my own faults. Although a Diary keeps the secrets, it most definitely wont heal the pain. So I welcome you into the world that led to my healing and peace. Everything I went through wasnt in vein, not the pain, tears, tragedy, nor heartaches. It was for a reason and for a purpose. God told me the things I witnessed and tragedy I went through is possibly now somebodies break through. I had to go through the test to be able to testify, I had to believe in order to achieve, and now Im here to share with you, if God chose me to go through every sleepless night, lonely seasons, broken-hearted, and a troubled soul. If God chose me to go through all of that just so I could help save a soul, I say thank you Jesus, because Im glad to say that what you are witnessing on this journey is Gods mercy, Gods grace and Im grateful for his favor. Jordyns Open Diary is to go places you never wanted to go, but you must go in order...
