LOST: THE SECOND MDK BOOK (PAPERBACK)

AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The MDK are the finest anti-terrorism team the British Secret Service have. Mark Hews, Dave Hobbs and Kevin Homes have had many missions together, and have come to know each other extremely well over their time together, living in each other's pocket and that sort of thing. But things are a little different these days. Dave has now settled into a new life and new home with his new spouse. The only snag with this new arrangement is that he hasn't seen anything of her for about a month. His pleas for help to AC, the department boss, have fallen on seemingly deaf ears. Meanwhile, the MDK continue to function as a highly efficient unit. After success in the Mediterranean, the team are split up for the first time on the premise of a drug based mission to Ibiza. The reality couldn't be further from the truth. Just who is the naked bird in Kev's bed? Why has AC split the team up? What are the secrets of Daffoe Castle? And why is Kev not allowed a wristwatch ever again? Lost, the second MDK book, sees the trio of agents working on a seemingly simple mission, only to have it complicated by a ruse, beautiful women, and the kind of persistence that can only lead to a showdown that no one could have seen coming.
