Brand New Book ***** Print on Demand *****.One night Gabriel Garrison was visited by a nameless messenger who bestowed upon him great power, a power intended for good. Once discovering what this power was and what it enabled him to do, Gabriel became Axiom-man, a symbol of hope in a city that had none. One night after a routine patrol, a mysterious black cloud appears over the city. Flying over to investigate it, Axiom-man is stopped short when the cloud s presence shakes him to the core.
