MP Publishing, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. From the award-winning and highly acclaimed author of *Ella Minnow Pea* comes Mark Dunn's most ambitious novel to date. *American Decameron* tells one hundred stories, each taking place in a different year of the 20th century. A girl in Galveston is born on the eve of a great storm and the dawn of the 20th century. Survivors of the *Lusitania* are accidentally reunited in the North Atlantic. A member of the Bonus Army finds himself face to face with General MacArthur. A failed writer attempts to end his life on the Golden Gate Bridge until an unexpected heroine comes to his rescue, and on the doorstep of a new millennium, as the clock strikes twelve, the stage is set for a stunning denouement as the American century converges upon itself in a Greenwich nursing home, tying together all of the previous tales and the last one hundred years. Zany and affecting, deeply moving and wildly hilarious, *American Decameron* is one America's most powerful voices at the top of its game.
