Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you and your furry little friend been having some problems in the area of discipline and training? Do you need some help on the issue? Or do you want to train your little adorable puppy to make him or her a perfect friend? Are you looking for a way to make the learning process fast, easy and reliable? Are you tired of dog training programs that seem incomplete because they only cover how to teach dogs basic commands while leaving out the important issues that you could be facing like food aggression, excessive barking, over-protectiveness, pulling the lead and even jumping on people? This book seeks to unravel what works in getting your dog to stop those annoying habits and start embracing good habits that you will certainly want to brag about. You will also get to learn about various things that you could probably be doing innocently that could be fuelling your dog's or puppy's bad behavior. If you are looking for a book that will transform the way you unleash the most desirable characteristics in your dog, then this book is certainly what you are looking for. By reading this book, you will get to learn ten of the most common problems that dog owners experience and how to deal with each of them so that you get the best from your dog. Training your dog has never been easier thanks to this book, as you will get to learn how to deal with each of the common behavioral problems. You can rest assured that this book will mark the end of some of the annoying tendencies or behaviors that your dog or puppy has been showing for...
