## Great Technology Transitions of Civilization (Paperback)

By Dr Jon Schiller PhD

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We are undergoing a period of rapid change in technology. I decided to write this book giving a perspective on where we are today and how we evolved to reach today's level of advanced technology. One example of what I mean is small home and lap top computers with more power than a room sized IBM computer at Caltech when I went there. Another example is Microsoft Word which makes it possible to write this and other books I have published. Excel makes it possible to create sophisticated Options Trading Software without struggling to use program languages such as Basic. PowerPoint allows me to make briefings using eye-catching colored briefing charts with equations and charts copied from Word and Excel. A third example is Internet which allows me to do things on my home computer such as get up-to-date financial news of the US and the World. I can get Options quotes free from the CBOE website. I can send files for the books I write to the publisher by uploading on Internet. The last item I will mention is...

### Reviews

*A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.*

-- Cathrine Larkin Sr.

*Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.*

-- Mark Bernier
