MANAGING CONSUMER SERVICES: FACTORY OR THEATER?

Springer. Paperback. Condition: New. 280 pages. This book presents latest research on the evolution of consumer services, as these services continue to become a larger part of the economy in the world. Four core focal points lead the central message of the book: first, the convergence of back and front offices; second, placing the client as a fundamental input of services production and delivery process, and industrializing the customers role to combine efficiency and experience; third, the constitution and role of inputs necessary for the configuration, production and...
