That whole thing of being a Sleeper wasnt my choice, and I was longing for the previous simple life, when my dreams and nightmares were just dreams and nightmares, ending as soon as I woke up. Now everything was different. My consciousness was bouncing between two worlds, and I was forced to live two lives as one. That wasnt easy. My days in London used to be grey and unremarkable I was just another mere office worker doing my job as thousands of others. I was happy to hide in the crowd and live without attracting attention, but each night my mind was somehow transferred to Rehen the alien world where I was at the very centre of everybodys attention. I didnt like that. At first, I wasnt entirely sure if that world was real or only a product of my swollen imagination. But then I found others living the same cycle. It was a permanent curse without the slightest chance to break free. My name is Kyle Firestone and I am a Sleeper. You Have you ever dreamed of Rehen If not, this story is a warning for you be careful with your life and dont trust anyone. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
