

## The Rice Water-Weevil and Methods for Its Control (Classic Reprint) (Paperback)

Filesize: 1.33 MB

### **Reviews**

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
(Ally Reichel)

**THE RICE WATER-WEEVIL AND METHODS FOR ITS CONTROL (CLASSIC REPRINT) (PAPERBACK)**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Rice Water-Weevil and Methods for Its Control Clean cultural management in dealing with the weevil as with other crop pests is advisable. By restricting the growth of the various grasses and other plants, particularly the Objectionable red variety of rice, which grow along and within canals, ditches, and water holes, much advantage could be derived toward the suppression of the breeding of the weevils on the uncultivated host plants. Drain age of bayous, Sinks, and water holes would doubtless be of great benefit for the control of the weevil alone. Leveling of the surface of fields that are to be planted in rice and plowing in such a manner as to avoid dead furrows as much as possible would obviate many of the depressions which on being deeply flooded conduce to a high infestation of the plants in such places. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
