

Consciousness, God or Light Itself Is What s Vibrating! (Paperback)

By Baron Baucom

Booksurge Publishing, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Consciousness, God or Light Itself is What s Vibrating! by Baron Baucom explores and compares the highest spiritual systems from Kabbalah s Bnei Baruch to Tantra s Sri Vidya and Kashmir Shavism, to show you how to purify your body and your mind and reach a higher plane of existence. God, light, sound, and consciousness are all inseparable, claims Baucom, and once you detect one, you can easily reach the others, resulting in a new, more profound comprehension of how life, consciousness, and God work. Based on Baucom s 30 years of studying with spiritual masters all over the world, and including secrets that teachers have been sworn not to reveal, this provocative book shows how East meets West in order to showcase one basic system of divine understanding.
