Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Guidance is one of the most important lessons in the Christian experience, and let s face it, many Christians are unable to discern the voice of the Lord and are unfamiliar with the term called the leading of the Spirit. This is a growth issue. Some Believers grow slowly and some grow quickly. Some are ready for it, others are not yet there. Because pastors and modern day clergy have such a huge impact upon the guidance of Believers and their spiritual dispositions, I will explain the purpose of the ministry gifts and their human personalities. Remember, Christians must never exalt men to the status of sainthood and perfection. Every Believer is a unique priest and a saint in God s economy. However some men and women have great giftings to build up and encourage the church.
