Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sometimes life will throw the unexpected at you. It can happen to anyone. So what would you do if you got a phone call notifying you that your precious child had just been arrested and faced years in prison? In *Set Free to Stay Free*, the author shares their journey as she and her family learn to trust the Lord and walk in His peace, day by day, during their years long experience. As she shares in her writing: None of our struggles, tears and heartache is ever wasted - they grow us up, make us strong and courageous, which in turn gives us a strong testimony to help someone else. you can make it! Don t give up on yourself, not now - not ever. If you are going through a similar situation, wherein your loved-one is already incarcerated or you re faced with the possibility that the same might happen, my prayer is that you will trust God for it all. He will definitely see you through any challenge. Shalom.
