THE SUNSET MAKER: POEMS / STORIES / A MEMOIR (PAPERBACK)

Carcenet Press Ltd, United Kingdom, 1987. Paperback. Condition: New. Language: English . Brand New Book. The tone of much of this new collection by Donald Justice is autumnal, memorial. These tributes in the form of elegies and homages to the almost forgotten - people and places and times past - constitute an attempt, in the author s words, to rescue what might otherwise be lost . Romantic in spirit but in style firmly realistic, they range in subject matter from Henry James return to America in 1904, to the hoboes of the thirties, to present-day Florida. At the centre stands a brief prose memoir of early piano lessons which leads to a cluster of poems rehearsing and transforming the same material. The book comes to a close with two stories, one of which has a pendant poem dealing with the same material. Justice is one of those authors known for his formal curiosity and restlessness; in this newest work we encounter again what one of the poems calls the love that masquerades as pure technique .
