Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Fate lacking in inhibitions and the wizard who holds her powers in his grasp collide in the latest book in Bestselling Author Charity Parkerson s Sexy Witches series. Out of the three Fates, Rowena is the wildest. No matter how hard she tries, she can t seem to stay out of trouble. Now, she is in the biggest fix of all time. She s lost one of Heaven s Seers to the Devil, and she needs Randall s help in order to find her. Once upon a time, Rowena pulled Randall Cruz into a supernatural fight in order to regain her powers. In retaliation, Randall cast a spell that gave him the control she seeks. With the exception of a few angels, a zombie, and an outrageous pixie, Randall enjoyed his quiet life as owner of the local apothecary before Rowena pushed her way in. Since the day they met, he s been forced to battle a pirate, give up wearing glasses, and now deal with the Devil. Every day, he braces for what will come next. An undeniable attraction, a struggle for dominance, and a love to last through the ages comes to life in The Wizard The Wanton.
